

Harlequin Showfloor™

Harlequin Showfloor is perfect for use as a temporary floor that encounters light to medium 'traffic'. It can be laid on any hard, smooth surface, for example, stage decking, wood, hardboard, terrazzo, concrete, etc. and comes in a range of colours.

Harlequin Showfloor is suitable for use as a short life floor and is ideal for fashion catwalks, exhibition stands, stage sets, events, shows and art displays.

Harlequin Showfloor is lightweight, lays flat quickly and stays flat. It has an embossed display surface that helps to prevent scuff marks and its cellular foam backing provides comfort under foot and helps to reduce noise pollution.
