

Harlequin Allegro™

Harlequin Allegro is a substantial heavy-duty dance floor, it is the thickest roll-out vinyl dance floor available. Its high point-elasticity, closed-cell foam backing and slip-resistant dance surface provides excellent protection for dancers.

Installation: Harlequin Allegro is specified for permanent installation. It can be used as a vinyl performance surface in conjunction with a Harlequin sprung floor or laid directly onto any hard, smooth subfloor.

Usage: Harlequin Allegro is suitable for contemporary and modern dance, aerobics and Zumba. It is also widely used as a multi-use floor in performing arts schools, dance institutions, dance studios and gymnasiums.
